INTERNATIONAL CONFERENCE
ON
NEW DIMENSIONS IN COMMERCE & MANAGEMENT PRACTICES
Perspective 2020

7th Feb - 8th Feb, 2020

Organised by:
Department of Commerce & Management
Sophia Girls' College, Ajmer (AUTONOMOUS)
In Association with
International Skill Development Corporation

About Sophia Girls' College, Ajmer (Autonomous)

Sophia Girls' College, Ajmer (Autonomous) affiliated to Maharaja Durgawati Saraswati University is an 'A' Grade Accredited Institute by NAAC (DUGC). Since 1959 the College has held a high reputation in the region for imparting quality higher education through its dedicated and enthusiastic staff with high academic credentials and diversity of offered courses. At the Undergraduate level, the College offers programs in B.A., B.Sc., B.Com., B.Com. (HST) Honors, BBA, BCA, B.B.S., Honours in English, Economics, Commerce and Post Graduate Program in English, Geography, Political Science, Sociology, History, Computer Science, Chemistry and Accounts & Finance.

To include scholarly excellence and make globally competent citizens, the Institute offers Generic Skill Enhancement, Career Development and Foundation Courses for the students. The Institute continues to build its reputation of par with international standards through its worldwide collaboration and linkage with Institutes of repute. It has an MHRD recognized Innovative Institute Cell, Cambridge Communicative Language, Diploma in French, IIT Mumbai, IRO and DST Sponsored programs under its aegis. As an initiative towards institutional, Social and Environmental Responsibility, the College has developed a 'Sustainable Environment' by developing Biogas, Water Harvesting System and is recognized as the first fully solar electricity campus of Rajasthan. It also has a diversity of host and hostel as its typical campus. As a Girls' College the Institute is, in the forefront, collaborating with NGOs, Women Development Corporation and the PRCI for gender sensitization, women empowerment and women entrepreneurship. As an initiative to encourage the Management and Commerce students to build their career as professionals, the Institute has collaborated with International Skill Development Corporation, UK and started two centers (ISCMA from IMA and UKACCIA in the current session).

The Department of Commerce

The Department of Commerce was established in the year 2000 with a mission to develop a level of excellence in education and training in the field of commerce studies. It initially offered Undergraduate Course, later in the Year 2015 it was upgraded to Post Graduate level. In the Current Session 2019-20 & Com. (HST) Honors has been introduced, with the objective to enable every student to cope up with economic challenges in the contemporary national and global scenarios.

The Department of Management

The Department of Management was established in the year 2005, as a Professional undergraduate department. It aims at providing both theoretical and practical training to the students. The Course intends to provide a foundation for students who plan to pursue their career in corporate world. It also prepares students to take up self employment in a chosen area of expertise. The Course imparts practical knowledge to the students through Industrial Visits, Summer Training and exposes them to the environment of the corporate world.

About the Conference

In the context of present changing world scenario and the business environment, the Conference aims at capturing the knowledge, both theoretical and empirical which will assist the organization to manage business under varied conditions. In the recent past there has been a rapid pace of innovation and assimilation of technology and new means of communication. In a world of changing dynamics in technology and communications, firms are constantly faced with new challenges. Time demands that management and commercial practices need to take a new direction. The volume amount of freight generated by ongoing research has become the new currency in business practices. The ongoing research in Commerce & Management practice has radically changed the nature and structure of products & services, spawned novel value systems, and produced a new breed of innovation culture, catering to the universal ideal of 'Sustainable Growth', which is inherently pervasive and universal in nature, quality & impact.

One of the major areas of emphasis in recent years has been interdisciplinary research, a trend that promises new insights and innovations rooted in cross disciplinary collaboration. In today's connected world, all stand to gain from continuing research, fostering industrial practice, global outreach and inclusive growth.

Conference Objectives

To bring together Researchers, Practitioners, Policy Makers and Interested Stakeholders to discuss new areas in Commerce & Management Theory and Practice. The Conference aims at interdisciplinary Research, Technology supported Innovation and to spark crucial insights in Management. It also intends to Analyze and understand the changing phase of Commerce & Management and find solutions to achieve long term sustainable solutions.

NATIONAL CONFERENCE

ON
EMERGING TRENDS & SCOPE IN THE BANKING SECTOR
WITH
SPECIAL REFERENCE TO THE PRESENT INDIAN SCENARIO

24th-25th August 2018

Organised by:

Sophia Girls' College, Ajmer (AUTONOMOUS)
Department of Economics and Commerce
In Association with Rajasthan Chapter of Indian Commerce Association

THE COLLEGE:
Sophia Girls' College is a premier girls institute run by the Congregation of Mission Sisters of Ajmer. It was founded in 1919 as a primary school to cater to the needs of the conservative Rajput families. It grew into a high school and in 1943 it became an intermediate College. In 1929 it was accorded the status of a degree College and was affiliated to the University of Rajasthan, Jaipur. In the year 2015 the institution got an autonomous status, and is affiliated to MDS University, Ajmer. It was Re-accredited - 'A Grade' by NAAC (UGC) in 2010.

With a desire to keep pace with international standards the College now has courses in Humanities, Science, Commerce, Management (BBA), Computer Application (BCA), Honors in English and Economics and BLS. College also offers Post-Graduation in English, Computer Science, Geography, Sociology, Political Science, Chemistry and Commerce (BBS). The College also runs Certificate Courses, Add-on courses and courses in skill development to prepare the students to become successful professionals in a highly competitive world. The college boasts of an efficient and comprehensive infrastructure and has well equipped library and Laboratories. The College conducive to learning and promotes a culture of research among both staff and students.

The Department of Economics:
The Department of Economics was established in the year 1959 to offer in-depth knowledge of Economics as a subject to young girls with the aim of providing specialized knowledge of Economics to the students. Honors in Economics was started in the year 1998. With the changing scenario, both at national and International level, the curriculum was revised after getting an autonomous status.

The Department of Commerce:
The Department of Commerce came into being in the year 2000 with a vision to develop a level of excellence in education and training in the field of commerce studies. The college started the B.Com course in 2000 and M.Com in 2015 with the objective to enable every student to cope up with the academic challenges in the contemporary, national and global field. It is through effective transaction of the curricular and co-curricular aspects that we endeavor to train them in the skills for self employment.

CONCEPT NOTE:
A banking system is one of the most important pillars of an economy. A strong, healthy and sustainable banking system is essential for the overall development of the country. As said by our Honourable Prime Minister - "A Nation can be secured only when banks and depositors are secured". Over the years, the banking sector in India has seen a number of changes, especially during post-liberalisation and deregulated environment. Most of the banks have begun to take an innovative approach towards banking with the objective of creating more values for customers and for the bank. The policy makers which include the Reserve Bank of India (RBI), Finance Ministry and related government and financial sector regulatory entities, have made several notable efforts to improve and revitalize the sector. As a result Indian banks are changing towards modern banking system. With increased competition and technological advancements there has been a strategic improvement over the system, which is vocal in service, product and operational methods. With financial inclusion being one of the pillars of transforming India, banks play a major role through the schemes like JanDhanYojana, Direct Benefit Transfer and MudraYojana. Still in order to touch international standards we need to travel a long distance but of challenges like, mitigation of risk, NPAs, recapitalization, increase in bank frauds, asset quality, more consumer friendly and consumer protective policies, universalization of banking system, and financial literacy. These issues are dragging down the banking and industrial growth and threatening the future growth of our country.

STRATEGIC GOALS:
In this context, The Department of Economics and Commerce, Sophia Girls' College, Ajmer, proposes to organize a two day National Conference on "Emerging Trends & Scope in the Banking Sector with Special Reference to the Present Indian Scenario" on 24th and 25th August 2018.

- The conference is expected to offer an opportunity for policy makers, academicians, research scholars and social scientists to dwell on the transformation of banking sector in India.
- Along with reviewing the story of reforms the conference also provides an opportunity to find some solutions of the problems faced by the current banking scenario.

SUB THEMES:

- Government Policies with reference to banking sector-JanDhanYojana, Direct Benefit Transfer, and Mudra Yojana
- Role of banks in rural development- RRB's, NABARD, Co-operative societies
- Role of banks in promoting external sector- NRI and FOREX
- E Banking, Digitalisation, Demonetisation
- Micro Finance/ Credit
- Non-performing asset management by banks
- Banking awareness in India
- Marketing in retail management
- Merger and amalgamation in banking sector and its impact
