On the 15th of December, the students of the B.Sc. (Maths) and M.Sc. Chemistry visited The Asha Bhawan (Sadbhawna Bhawan), a home for the destitute, as part of the outreach program “Joy of Giving”. The students interacted with the people there, under the guidance of Asha Bhawan’s team and the faculty, the student voluntarily spread out into groups of 4 and 5. They got a chance to showcase their talents of dancing, singing in front of everyone and were really appreciated.

To engage students in community service, promote a sense of responsibility and to encourage empathy and compassion towards the underprivileged.

Sophia Girls' College Autonomous, Ajmer, organized an outreach program on 16th December, 2023, focusing on community engagement and social responsibility. The college collaborated with Ladli Ghar, a local organization dedicated to the welfare of the underprivileged children. The purpose of the visit was to expose students to real-world social issues, foster empathy, and instill a sense of responsibility towards the community.

Prior to the visit, the college organized awareness sessions and workshops to familiarize the students with Ladli Ghar's mission and the issues faced by the children. Additionally, students were encouraged to prepare food items, games, and other interactive activities to make the visit meaningful for the children.

During the visit to Ladli Ghar, the inclusion of the girls from the organization in various activities was a significant aspect. The girls at Ladli Ghar actively participated in playing the harmonium, showcasing their musical talent.

Keeping in mind, the seasonal needs of the underprivileged, the college took a thoughtful step by distributing winter essentials to the girls of Ladli Ghar. Winter cream and body lotion were provided to ensure that the girls had the necessary protection against the harsh winter conditions.

As a part of the visit, the college students distributed snacks for the children. This not only added a delightful element to the day but also emphasized the joy of sharing and communal enjoyment.

The collaborative activities, including musical engagement, ANTAKSHRI, and the thoughtful distribution of winter essentials and snacks, enhanced the overall experience of the outreach program. GAGWANA PANCHAYAT**

18th December, 2023

The objective of this outreach program was enable students to understand the working of grass root democracy. This activity was to provide exposure to students relating to women participation in ruling Panchayati Raj institutions in India's rural settings as Gagawana village is headed by a women sarpanch.

The visit allowed the students to witness firsthand the functioning of local governance structures in Gagwana. Observing the real-life impact of existing policies and programs at the local level has equipped students with insights and the decision-making processes, resource allocation strategies, and the ways in which community issues are addressed at the grassroots level with effective policy implementation. The visit facilitated the identification of potential areas for collaboration and partnerships with local stakeholders, NGOs, or other government agencies.
